Report on Nestle project; upcoming events

Nittany Valley Environmental Coalition
State College, PA

Feb 28, 2018 — Link to a report about the proposed Nestle water bottling plant

"Economic v. environmental impact: an agonizing neighbor-against-neighbor choice that Centre County citizens should move beyond, into win-win."

<https://bailiwicknews.wordpress.com/2018/02/23/bailiwick-news-february-23-2018/>

Meeting tonight of Spring Township Water Authority Board

The Spring Township Water Authority Board will meet tonight (Wednesday, February 28) at 7:00 p.m. at the Spring Township Building, 1309 Blanchard Street, Bellefonte. Centre County citizens concerned about the proposed Nestle water bottling plant are likely to attend and attempt to speak to the issues during public comment periods.

Community Forum on "Sustainable Urban Planning" through the lens of the Toll Brothers/PSU Whitehall Road student housing development - Thursday

Tomorrow (Thursday, March 1) there will be a forum organized by the Penn State Graduate Student Association, at 6 pm in the Flex Theater in the HUB on Penn State's campus. (Flex Theater is located on the second floor of the HUB, just up from the main eating area.)

Here is a link to the event:

<https://www.facebook.com/events/394292474364804??ti=ia>

Peter Buckland, Academic Programs Manager at the Penn State Sustainability Institute and also chair of the Ferguson Township Board of Supervisors, is moderating the panel discussion.

Nittany Valley Environmental Coalition President Kelli Hoover is one of the panel participants, along with David Yoxheimer, consulting hydrogeologist for the State College Borough Water Authority and possibly Cory Miller, executive director of the University Area Joint (Sewer) Authority.

Report on Nestle Water by Food & Water Watch

"Nestle and others cashing on on U.S. water infrastructure crisis"

<https://www.foodandwaterwatch.org/news/nestle-and-others-cashing-us-water-infrastructure-crisis>

Bottled Water Costs Thousands of Times More Than Tap Water

Cost per U.S. Gallon
