Peaceful Demonstration this morning in front of Old Main

Nittany Valley Environmental Coalition
State College, PA

Jul 30, 2016 — While we are excited about our recent win in court, we strongly feel that Penn State should back out of this land sale and listen to the wishes of the community.

Residents have met with Penn State representatives, but have been disappointed by the University's stand that "they are just sellers". PSU has taken hands off approach where they are watching and waiting for the next move from Toll brothers. In the meantime members of the community came together today to peacefully demonstrate in the parking lot of Old Main to encourage PSU to back out.

With banners, signs, solar panels and windmills, protest music performed live by Andy, and coffee, the demonstration was a great show!
