Nittany Valley Water Coalition
State College, PA

Sep 8, 2017 — The Nittany Valley Water Coalition has occupied this site for 100 days as of this Saturday to protest building on this farmland.

Please join us for a potluck and live music to honor this day and get an update on status of the fight to protect our watershed.

PLEASE BRING A CHAIR TO SIT ON, your own plate and cutlery, and a dish to share. These potlucks are a LOT of fun. There is parking at the church next door or in Highpoint Park across the street from the site.

Join us!
